

# CERTIFICATE

This is to certify that **CHEN YINAN, Female**, born on **July 26, 1997**, was enrolled in **School of Energy and Environment** at Southeast University in **August 2015**. In **September 2016**, the student transferred to **School of Architecture**. The student has completed a **five-year undergraduate program** in **Architecture** and graduated in **June 2021**. The Student Number is 01116327.

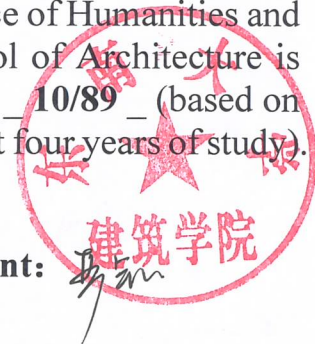

The transcript issued by Southeast University shows that the student took a total of **11** courses in the **original major**, which are not included in the required courses in the **Cultivation Plan of the School of Architecture for the Class of 2016**, as follows:

TITLES OF COURSES	Credit	Grade
2015-2016 year 1-2 semester		
Mechanical Graphing (B)	4	98
Introduction to Energy & Environment Engineering	0.5	92
Advanced Mathematics(A)I	4.5	83
Geometry & Algebra (B)	3	93
Introduction to Industrial System 1	0.5	P
Fundamentals of College Computer	0	93
Programming & Algorithmic Language I	2	78
2015-2016 year 3 semester		
Advanced Mathematics(A)II	5	70
College Physics(B2) I	3	76
Physics Experiment I	1	C
Programming & Algorithmic Language II	1.5	90

The GPA and Average Score shown on the student's 4.0 GPA transcript includes all academic years during her enrollment. After removing the grades for the aforementioned courses, as well as two other courses that are not included in the GPA calculation (Social Practice, Practice of Humanities and Social Sciences), the student's Average Score at School of Architecture is **88.18/100**, with a GPA of **3.85/4.00**, and a rank of **10/89** (based on the 4.8 GPA ranking system, the overall GPA for the first four years of study).

**This serves as an official certification.**
